Radisson Hotel Cincinnati Riverfront

668 W. 5th Street, Covington, KY 41011

The Ohio Department of Transportation (ODOT) and the Kentucky Transportation Cabinet (KYTC) will host a Networking Meet & Greet Event for Disadvantaged Business Enterprise (DBE) firms that are interested in working on the \$3.6 billion Brent Spence Bridge Corridor (BSBC) Project. We are inviting both Prime consultants and contractors, and DBE consultants and contractors that are interested in pursuing the Design Build contract, the Quality Assurance Manager/Owner's Representative contract, or the Construction Engineering and Inspection (CEI) contract.

The Networking Meet & Greet will allow DBE firms to meet with Prime consultants and contractors in one-on-one appointments in 15-minute intervals to introduce the services they can provide on the BSBC Project and discuss opportunities for working together to meet project goals.

Register for the Networking Meet & Greet [HERE](#)

Networking opportunities will be available throughout the event. DBEs from Ohio, Kentucky, Indiana, and beyond are encouraged to attend the event.
