### WHAT TO EXPECT

As part of the Brent Spence Bridge Corridor Project, Walsh Kokosing will hire a consultant to assist in the consolidation and coordination of Reference Information Models being prepared by the design team, assist WKJV staff in the use of model files to develop work plans, and generate 4D animations for use throughout the project. An Invitation to Bid was posted 11/15/2024 and is available on the Walsh Kokosing website: [www.walshkokosing.com/bsbc-current-opportunities](http://www.walshkokosing.com/bsbc-current-opportunities). Proposals are due 12/6/2024.

During the meeting, the Walsh Kokosing scope sponsors will provide an overview of the work and be available to answer questions.

*Certified and potential DBE firms are encouraged to attend.*
