WHAT TO EXPECT

As part of the Brent Spence Bridge Corridor Project, Walsh Kokosing JV will subcontract one or more companies to perform demolition work. Walsh Kokosing will hold a meeting to present this subcontract work and to conduct a site walkthrough. An Invitation to Bid describing the scope of work further was posted on the Walsh Kokosing website: www.walshkokosing.com/bsbc-current-opportunities on November 26, 2024. Bid advertisement will be published on BuildingConnected bid management online portal.

Please email BSBCDocControl@walshgroup.com (GC and non-DBE subcontractor contact) or BSBCDIO@walshgroup.com (minority and DBE contact) to be included in notifications for this bid advertisement.

During the meeting, the Walsh Kokosing scope sponsors will provide an overview of the work and be available to answer questions.

Certified and potential DBE firms are encouraged to attend.
